Fill my life again
I give my life to follow, Everything I believe in,

Hands that healed nations, stretched out

on a tree, and took the nails for me

So my soul longeth after Thee.
You alone are my heart's desire,

Even though You are a King.

I want You more than gold or silver,
You alone can satisfy.
You alone are the real joy-giver,
And the apple of my eye.

Hymnal:
Notes:

PlayOrder:

Verse 1:

Abide with me! Fast falls the eventide.
The darkness deepens; Lord, with me abide!
When other helpers fail, and comforts flee,
Help of the helpless, O abide with me!

Verse 2:

Swift to its close ebbs out life's little day.
Earth's joys grow dim; its glories pass away.
Change and decay in all around I see;
O Thou, who changest not, abide with me!

Verse 3:

I need Thy presence ev'ry passing hour.
What but Thy grace can foil the tempter's power?
Who, like Thyself, my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.

Verse 4:

I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

Verse 5:

Hold Thou Thy cross before my closing eyes;
Shine through the gloom and point me to the skies.
Heaven's morning breaks, and earth's vain shadows flee --
In life, in death, O Lord, abide with me!
